

Graduation 2026 Newsletter

The moment has arrived. After five years of learning, growth, and perseverance, the Peter Skene Ogden Secondary Class of 2026 is ready to cross the stage and begin an exciting new chapter.

Our graduates have experienced an extraordinary journey. From adapting to changing learning environments to overcoming personal and global challenges, they have demonstrated resilience, determination, and strength beyond their years. This graduation milestone represents not only academic success, but also the character, grit, and spirit each student has developed along the way.

This is also a meaningful time for families and supporters. A chance to reflect on the journey so far and celebrate the dedication, encouragement, and love that have helped guide our students to this moment. Parents, guardians, grandparents, mentors, and friends—this achievement belongs to you as well.

Students who are not attending regular classes, please ensure that you inform the office with your current email address or reach out to Heather Wood/Mrs. Gardner. This way, we can keep you informed about important updates and information we need to share.

ATTENTION ALL GRADS - The Grad eligibility list will be reviewed regularly. Students MUST be on track to graduate by June to participate in Grad Ceremonies and Dry Grad festivities.
